

## News and Prayer Bulletin No 23

### News

Olaf was able to promote C4L materials at the Catholic Mission Conference last month, and has also had opportunity to pass on resources for potential use with outreach to prostitutes in Bournemouth and a church plant in Slough – we have been able to do this through a donation that would enable outreach courses in both places. It is hoped that the website will be further developed to include a compilation of recommended resources for ministers for outreach and discipleship. Could you help us kick-start this exciting process by letting us know at [olaf@connect4life.org.uk](mailto:olaf@connect4life.org.uk):

- What is the main discipleship resource that has helped you towards maturity in your Christian life?
- What is the main outreach resource that you would recommend to ministers to consider for their churches?

(Please give ratings out of five stars for each resource together with any comments. Thank you!)

Olaf is getting to grips with a video camera and software so that videos appropriate for outreach and discipleship can be posted on You Tube for various groups of people, including leaders and those in the four groups. The Christian Resources Exhibition (CRE) is approaching in May, and willing volunteers have again offered their services to help at the event. The Universities and Colleges Christian Fellowship (a group existing to bring together and support Christian Unions in the UK) has invited Olaf to their exhibition in Shropshire in September, which is now booked.

### Praise - Thank God . . .

- for funding promised by a Trust to develop the website as above
- for further new opportunities and contacts
- for those who are again willing to give their time to support at CRE, plus three new volunteers
- for funding to release C4L resources for outreach and discipleship in Bournemouth and Slough
- for someone who has offered to help with the video project

### Prayer - Please pray . . .

- for the further development of the website – there will be much research required
- that the videos will be effective when they are posted on the internet
- for the early planning for CRE
- for an increased number of orders for materials

If you have any knowledge of appropriate trusts or grant-making bodies who may be willing to support this ministry, or would like to make a personal donation (either through the website or by post – details as below), please let us know. Likewise, if you have any connection with churches or leaders who may be interested to find out more about connect4life we would love to hear about them. Thank you!
