## News and Prayer Bulletin No 35

### News

C4L Online has just been launched! There is a new introductory video, aimed at church leaders and ministers – <http://www.godtube.com/connect4life/>. Have a look and share with your contacts! This is the culmination of eight years development and testing, and resources are now available for free access and use from the internet as well as in the original printed format. The second session of the TCL (The Connected Life) course was completed just in time for the relaunch at Easter (<http://connect4life.org.uk/unconnected/tcl>); the iOS for the apple version of the Best Connections app (<http://connect4life.org.uk/connections-apps/best-connections-app>) is also ready, and the android version is available to download with updates expected. Users can now give feedback using the banner option at the bottom of each webpage – please have a look (<http://connect4life.org.uk/>) and give your views. It has been encouraging to see that users are now spending longer viewing the website pages. Press releases have recently been sent out to begin promoting the materials, with advertisements in printed publications and online.

### Praise - Thank God . . .

- that work was completed in time for the launch of C4L online at Easter as planned, and for the five team members who have produced it to a high standard
- for donations from three Trusts, providing part-time salary for this year and funding for advertising and promotion – the overall investment in this project has been considerable and we now need to make it count
- for an invitation to take Silver Connections into a local cottage hospital in the north west later this year
- for an opportunity for Olaf to meet with the Chief Executive of a church mission agency next month
- for some very positive feedback and evaluation from a member of the Council of Reference, who considers this to be 'a valuable contribution to the Kingdom of God' as an evangelistic initiative
- for the thousands of people who have viewed the materials in 126 countries

### Prayer - Please pray . . .

- for a good response to the press releases which have gone out recently
- for promotion of materials continuing through the year through printed and online advertisements
- for the app developer, who has not been well, and for wisdom about completion
- for Silver Connections in the north west
- for the meeting with the church mission agency on 24 May

Please consider whether you would be willing to promote C4L in your sphere of influence as a 'C4L Ambassador' – for example, Olaf's brother has contacts in India and Nepal and has been introducing resources to churches and Christians there during a recent visit.

If you have any knowledge of appropriate trusts or grant-making bodies who may be willing to support this ministry, or would like to make a personal donation (either through the website or by post – details as below), please let us know. Likewise, if you have any connection with churches or leaders who may be interested to find out more about connect4life we would love to hear about them. Thank you!
