News and Prayer Bulletin No 15

News

There has been a steady number of enquiries and requests for sample materials following the Christian Resources Exhibition and the launch of the website – at the last count, there had been over 800 hits on the website! Olaf has been invited to speak at a church in Hayling Island following a contact at CRE, and has a meeting arranged in Andover to talk about how things are going with the Baptist Church there. There have been many email and postal contacts to follow up after CRE – these should be completed by the end of July. Olaf has been in touch with personnel in all the Anglican dioceses in England in the last few weeks to promote Connect4Life resources. There is an opportunity to display the material at the Detling Bible Week in August, and a contact has kindly agreed to send a mailing to 500 leading churches in the UK. In its magazine, IDEA, The Evangelical Alliance has just published part of an interview with Olaf that will go to over 30,000 of its membership. Further equipment has been purchased to set up an office for C4L, as well as technical items for promotional use. Final adjustments are being made to the website and to the online ordering process enabling credit card purchases to be made via the web.
