

December 2018

Dear friends

Thank you for your prayers and support over the last few months.

The number of downloads of C4L videos has continued to rise at a very encouraging rate – we have just gone over 1.75 million in total. There are now three video messages on Youtube: **This Fragile Planet** (<https://youtu.be/o5SjldXIP2U>), **A Voice from the Age of Enlightenment** (<https://www.youtube.com/watch?v=mMSLymLqti8>) and, more recently, **Battle for Freedom** (<https://www.youtube.com/watch?v=qSPte5Ouoxc>). This latest one looks at the problem of addictions and the battle to overcome them, and includes links to appropriate professional and Christian bodies. This has had some very positive feedback: *‘Congratulations on latest addictions U Tube. Excellent’ . . . ‘I must say your presentations are extremely professional. Very much needed when reaching the world and more to the pointed they’re anointed!’ . . . ‘This is so very very very true..... In God we trust!’ . . . ‘so fresh and different’. . . ‘Thank you for your own continual insight, devotion as well as understanding to boost my path to turning into more consciously awake coupled with spiritually connected.’* We thank God for funding which is enabling further video messages to be produced – work on the next one, **All at Sea**, about relationships, has just started.

Please pray for . . .

- the preparation of the video message **All at Sea** and all those involved
- wisdom regarding a possible partnership organisation
- the development of the website to feature new and existing videos addressing life issues under the banner of **C4L Videos for Life** as a free new ministry resource to be shared electronically and by give-away cards
- the trialling of C4L material adapted for use in countries where there is persecution of Christians

and thank God for . . .

- additional funding to enable the production of further video messages
- His favour on C4L as a vehicle to carry the Good News with over 1.8 million minutes of viewing on YouTube

We continue to very much appreciate your interest and support.

May God bless you as we celebrate Christmas, and give you His peace and joy throughout the New Year.

With our best wishes
Olaf and Lindsay Fogwill
